Raiders Win State, Tie LEL

It wasn't easy, but the Shaker Red Raiders did it . . . they brought home their first Ohio High School Baseball Championship and, five days later, won a share of their third straight Lake Erie League title.

Led by their southpaw ace, Marty Liff, the Raiders rolled over eight contenders to bring the state crown to Shaker for the first time since the tournament was established in 1928.

On "The Road to Columbus," the Raiders Brush-ed off the Arcs and their ace Steve Stone, who had previously compiled an earned-run average of 0.16, hopping on Stone for six runs in the first inning and going on to win, 11-8, on May 20.

The next afternoon, with Liff again pitching, Shaker squeaked out a 1-0 victory over North Canton Hoover with the lone run coming with two outs in the seventh inning. Then the Raiders were off for Columbus.

One week later, a 380-foot homerun by Shaker's all-Ohio third baseman, Rick Krumlauf, together with fine pitching by Liff and Bob Kidd gave Shaker an 11-2 victory over Rossford and a shot at the crown the next day.

Shaker's 4-0 victory over Steubenville Central Catholic High School will not be soon forgotten. Highlighting the game were two runs-batted-in and a pair of spectacular catches by Dan Biello.

The Raiders returned home in triumph, but their job was not entirely completed, yet, since they split a pair of LEL contests before the playoffs in Columbus. They dropped a 7-5 game to Shaw and then shut out Euclid. They needed a victory over Cleveland Heights in the finale to gain a share of the title with Euclid.

In this game the score was tied, 5-5, going into the last of the sixth inning when Rick Hawkins led off with a walk, advanced to third on two sacrifices, and scored.

THE SHAKERITE

35th Year, No. 15 | Shaker Heights High School, Shaker Heights, Ohio | June 10, 1965

Kronenberg and Webber Win Citizenship Awards

Helen Kronenberg and Mark Webber received the Shaker Square Citizenship Awards at the Honor Assembly in the stadium on Tuesday, June 8. The senior class elected the 19th pair of annual recipients in two series of ballots.

One of the highest honors a class can bestow on its members, the award demands of its recipient sound personal integrity, good leadership, high scholastic standards, and service to the school. A plaque in the main hall carries the inscribed names of all winners.

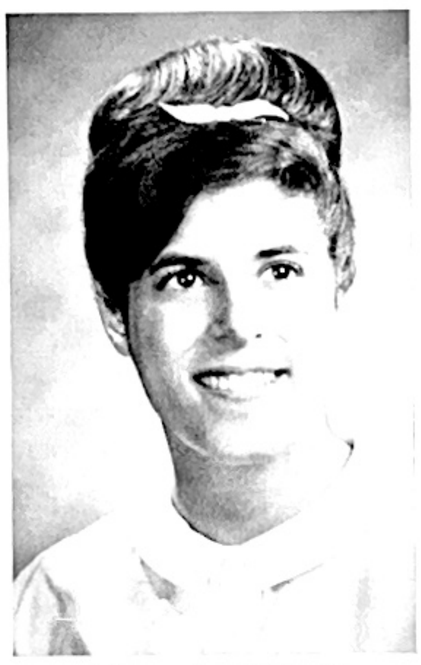
Helen has led an active life. As a sophomore, she was a Student Council representative and began three years of *Shakerite* reporting. The following year saw her as Student Council secretary and *Gristmill* typist.

In her senior year, Helen became a *Gristmill* editor and Social Council vice-president. She has joined several clubs, as well. In addition, she merited a scholarship key this February.

A key winner also, Mark has been no less active. He is the Class of '65 president, a position he also assumed last year, and was vice-president as a sophomore. In Student Council he has served three years as a representative and two on Executive Board, and has led Noon Activities and Civics committees.

Next fall Helen will attend the University of Michigan, while Mark will enter Columbia University. Both will major in the liberal arts, Mark possibly in political science.

Runners-up were Jody Bernon, Beth Dunlop, Mike Book and Tom Marshall. Each received a book from the Dads' Club on Honor Day. Principal John A. Stanavage made the presentation of the two citizenship awards.



Helen Kronenberg

Mark Webber

NSFers Follow Summer Study

Juniors Bob Schumacher, George Gelehrter, Gene Naftulin and John Lewis will receive National Science Foundation study grants this summer. The foundation pays for tuition and books at various colleges in the nationwide program.

Bob will spend June 14 through July 31 at Manchester College in North Manchester, Indiana. He will fill six and one-half hours daily in laboratory work, classes and independent study.

At the Lakeside Connecticut Summer Camp, July 5 to August 13, George will study physical chemistry under the sponsorship of Columbia.

The University of Michigan will provide Gene with a six-week math course which includes lectures, research, discussion and independent study.

John will study topology, set and number theory, and computer programming for six weeks at Case Institute.

Grads Grieve to Leave; Somerset Set for Prom

Capping the spirit of '65 with tradition, the senior class will hold its Senior Prom in the ballroom of the Somerset Inn on Wednesday, June 16. The entertainment will last from 9:00 p.m. to 1:00 a.m.

As always, however, the night will not end at 1 a.m. Seniors will continue to celebrate graduation in an After-the-Prom Party from 2 to 6 a.m. at the Eastgate Coliseum.

At the Prom itself, Angelo Damala's band will provide the music, and punch and petits fours will be served. The highlight of the evening will be the crowning of the Prom Queen. Betsy Verne, Sue Pentek, Jody Bernon, Penny Wallis and Ann Royce are semifinalists for this honor and on May 27 the seniors made their final selection. President of the senior class, Mark Webber, will crown the winner.

Class officers Mark Webber, Cookie Chesler, Jody Bernon, Fred Berger and Dan Biello planned the prom.

Seniors End Long Haul With Speeches and Song

Shaker's 48th senior class will hold its commencement ceremonies at the Cleveland Music Hall on Friday, June 18. Superintendent Donald G. Emery will preside at the program, which begins at 8:30 p.m.

The speaker will be Maurice B. Mitchell, president of Encyclopedia Britannica, Inc. Mr. Mitchell, who attended New York University from 1932 to 1935, has worked on the editorial and publishing staffs of several newspapers. He was also a correspondent for CBS and NBC news. In 1956 he became president of Encyclopedia Britannica, Inc. and of Encyclopedia Britannica Films.

Because of his prominence in the educational film industry, Mr. Mitchell attended the UNESCO Conference on International Co-operation in Films and Television. Since then he has been a member of the Trustee Committee for Economical Development and a consultant for the Educational Subcommittee on Cultural Affairs, U. S. State Department. In addition, he has written several articles on education and communication.

Preceding Mr. Mitchell's address to the senior class, the Rev. B. B. Whittemore will deliver the invocation. The A Cappella Choir will then sing two songs, "O Magnum Mysterium" and "Osanna." John Stanavage will present the Class of 1965, Alan S. Geismer and Robert Rawson will distribute the diplomas, with the assistance of senior counselors Miss Dorothy Orndorff and Edwin Stoch.

The program will close with the singing of the Alma Mater.

Raiders Ride Title Wave

A spontaneous flood of school and community pride rolled down Lee Road from Chagrin to Aldersyde and settled in the stands of the Shaker stadium on Saturday evening, May 29, at just about 7:30 p.m. Riding the crest of that flood were our victorious state baseball champions and their coach, Fred Heinlen.

The flood actually consisted of over 600 fans who, after greeting the Raiders' bus, followed it to the high school. They then heard Nay Sanna introduce Mayor Paul Jones and Coach Heinlen, who himself introduced each member of the winning squad.

The fans were able to see the trophy that their team had bagged only five hours previously.

Jubilant Raider baseball team rallies 'round the flag.

G.L.C. Bucket Brigades Sponge Off Neighbors

The Girls' Leaders Club held its annual car wash on June 5 in the faculty parking lot. Miss Burkett's troops, supplied with buckets, brooms, and Brillo, were out to give the neighborhood's automobiles a spring cleaning.

The car wash, operated from 9 a.m. until 6 p.m., will cost $1 per car and 25 cents extra for station wagons. The money earned helps finance the Orphans' Picnic which the club sponsors every year at Horseshoe Lake.

The girls spend the afternoon playing games, hiking, and eating lunch with a group of Cleveland's underprivileged children.

The club, an athletic service organization, also sponsors a Sadie Hawkins Dance earlier in the year to help pay for the picnic.

Council Elects Social Leaders

Social Council elected its officers for the executive staff of the 1965-1966 school year on Thursday, May 20. Doug Bernon and Cheryl Donofrio will accept the responsibilities of president and vice president, respectively, while Kathy Kraus and Sharmon Sollitto will act as corresponding and recording secretaries. Treasurers will receive their appointments in the future.

Recently the constitution, a product of Social Council's first meeting, was amended. In some cases articles were omitted and replaced by totally new ideas. For years the council has proposed and rejected these amendments. This year, a selected committee, of which president-elect Bernon was an active member, examined and revised the additions for acceptance. Mrs. Thekla Wiley, adviser to the Council, has expressed great confidence in the proficiency of those laws.

The four officers were elected at a Council meeting. Each delivered a short speech before this year's and next year's Social Council homeroom representatives.

The new officers met for the first time on May 28.

Daily Announcements; Time for Some Changes

The student morning public address announcements this year have been done shoddily and irresponsibly. The P.A. technicians and announcers have failed to fulfill a two-fold responsibility.

Their first obligation is simply to present the announcements in a serious, businesslike manner. Every announcement is of genuine importance to a certain number of students. To respect their interests, it is only common courtesy to present the information with the seriousness in which these students regard it. Few things are more annoying, indeed insulting, than to have someone make fun of an endeavor one takes seriously.

Secondly, like any production prepared for the entire school, the P.A. announcements are a reflection of the standards of the student body. As such, there is no excuse for the it's-all-a-big-joke attitude we have observed this year in the announcements. Every all-day visitor to Shaker, and we have many, gets his first major impression of student competency from these announcements.

The situation is easily remedied. It must be impressed upon next year's technicians and announcers that they are assuming a very real responsibility: to present the announcements with the respect due those who receive them; and to maintain usually high Shaker standards.

The school day is not a joke. Why begin it like one?

Sophomores Gain Respect In Spirited Ticket Sales

The Class of '67 seemed to be a problem at school not so long ago. Not only Shaker High School but also the Shaker community was disturbed by the behavior of the sophomores.

At a recent assembly their conduct was inexcusable. Such rudeness to fellow students and to guests could not be excused by labeling the tenth graders as merely immature.

An understandably angry Dr. Stanavage placed the class on a kind of probation. Sophomores were therefore not supposed to attend any school functions until such time as they could demonstrate that they were a mannerly third of the school.

The Class of '67 seized on excellent opportunity to reinstate themselves in Shaker's good graces. The class as a whole took on the task of selling advanced season football tickets with the result that over half the total money collected was raised by the sophomores.

The class worked together, for although 25 of the 40 top salesmen were sophomores, these few could not have done this tremendous job without the enthusiastic co-operation of the entire class.

The Class of '67 no longer detracts but rather adds to Shaker and will continue to do so in the next two years.

President Speaks

Dunn Reviews Council Year

by Mel Dunn

Perhaps one of the most frustrating aspects of a great undertaking is the realization, at the end, of how much work is still to be done. Infrequently do changes come about overnight. Sometimes progress is pitifully slow. Nevertheless, we forge ahead.

Student Council has sought to strengthen several of Shaker's significant weaknesses. Early in the year the need for a revised driving program was evident. A complete change was made. For its first year, it has had remarkable success. The Student-Faculty Basketball Game which kept half of Shaker spellbound in its closing seconds, brought new life to anemic club treasuries. With the establishment of the club fund, a more vigorous club program should result.

Your council has recognized vulnerable spots within its own organization. To strengthen the existing framework, significant measures have been passed stressing increased responsibility and more complete communication. We have taken a major step toward increased interschool activities through the picnic social with Heights High. A wonderful experience, it was also an invaluable precedent for activities with schools out of the L.E.L.

While enlarging most old programs, the council has also made several other innovations, the Fall Sports Booklet and morning music noteworthy. The great success of the Shaker Derby Dance and the second Interclass Tournament and our many pep assemblies throughout the year have helped make school spirit vibrant.

The sky is still the limit. It remains for student responsibility, imagination and action to utilize the opportunities at hand.

Desberg, Krumlauf, and Liff whoop it up after the last pitch.

Hot Euclid Fries Ricers In League Track Meet

The Shaker cindermen, with 28 points, placed in a distant tie for second at the Lake Erie League track meet on June 4, as the Euclid Panthers amassed a record-breaking 82 points.

Although the Raiders were not victorious in any one event, they managed to score in ten of the fifteen contests. Bob Rose copped second place in the discus with a heave of 143 ft. 11⅛ in. Gaining third-place points were Chuck Neiderhauser in the pole vault; Sandy Armstrong, high jump; Bob Schumacher, long jump; Ron Adrine, low and high hurdles; and Chris Matey in the mile run.

Two weeks earlier, on May 18, the same Euclid team trounced the Ricers, 76-42. The Raiders were strong in the field events with Sandy Armstrong and Bob Rose winning, but fell short in the relays and sprints.

On the following Saturday, May 22, Neiderhauser, Rose and Gregg Shoham traveled to the regional meet at East High. None of the athletes qualified for the state meet, however, as they were defeated by some of the best performers in the Northern Ohio area.

Netmen Gross Losing Record

The district matches at Euclid on May 21, climaxed the Shaker spring tennis season. Dana Lowry went to the semi-finals before bowing out to his opponent from Euclid, while the other netmen all fell in first round matches. In their dual matches, the Raiders had a disappointing 3-5 slate, with only a victory over arch rival Heights to ease the record.

Alan Geismer, Doug Broder, and Tom Handel, junior lettermen, and newly-lettered sophomore Aaron Miller will be the nucleus of next fall's team. The most prominent new arrival will be the netters' first-year coach, Fred Brown, who will take over the team when it launches its LEL campaign.

With four experienced players the tennis men hope to improve last year's second place finish.

Peter-Michael Stahlberg

Stahlberg Bids Farewell, Says Thanks to Shaker

Dear Shakerites,

"No, it just can't be that late already!" was my first thought when *The Shakerite* asked me to write my farewell letter, and still I do not quite want to believe that I have to say good-bye to this great school and this wonderful community.

The space I was asked to fill is ridiculously short—any space would be insufficient to express my gratitude to you for the friendliness and warmth with which you received me.

Some people may think that being "an AFS student" is merely a question of making speeches, being polite to people, the superficial things.

They do not realize that beyond this there is a second level; the deep, individual gains which arise from this experience are not just my own. They are only made possible by your participation and friendliness — these things are equally a part of you and me from now on, and I will go back and tell about the wonderful people I found here, and thus add my own little share to "understanding."

For all this I would like to thank all of you, the students, for their deep concern and friendliness; the faculty for their warmth and helpfulness; and above all our outstanding principal, Dr. Stanavage, for his kind encouragement.

I will take this with me to my homeland:

"Yeah Shaker, and Yeah AFS!"

Your sincere friend,

Peter-Michael

State Crown Eludes Golfers

For the seventh time in Coach Ed Stoch's eight years of coaching the golf team, the Red and White linkers sent a qualifying quartet to the state meet in Columbus, May 28 and 29.

Although the Raiders shot respectable practice rounds, they finished fifteenth in the actual meet with a 679 total. Mark Nathanson carded lowest for Shaker with an 81-83-164, and Jim Robson turned in the best single round with a 79 on Friday.

On Monday, June 7, the golfers competed in the L.E.L. Medal Play Tournament. Prior to it, the clubmen stood second in the league with 9-4 season ledger. They had a chance in this tournament to get enough points to take over the league lead from Parma and Valley Forge.

New President Prepares Term

by Larry Sarkozy

To begin with, I am very excited about Student Council prospects for next year. The competency of the incoming officers, the sincere interest displayed by adviser Emil Sarpa, and the enthusiasm of the entire student body indicate a bright future for Shaker.

Several new ideas are now under consideration for next year. Principal John Stanavage has suggested a concert series in which entertainers whom Shakerites might not otherwise see in person would perform here on weekend evenings.

An advisory board to the president is another suggestion. It would consist of any interested students, thus permitting the president to communicate with a greater portion of the student body. These are only a few of the ideas I hope to realize next year.

Marty Lifts Raiders To First State Title

by Alan Geismer

'Twas a dream come true for Coach Fred Heinlen and his magnificent Red Raider baseball team (21-6) as they returned from Columbus, Saturday, May 29, with Shaker's first state championship.

Much of the load rested squarely upon the shoulders of "Masterful" Marty Liff, the steady southpaw with a mischievous curve. In Columbus, Liff and company overwhelmed Rossford, 11-2, and blanked Steubenville Central Catholic, 4-0, in the finals.

AFTER SHAKER had opened up a healthy 5-0 lead against Rossford, in the fifth, Bob Kidd relieved Liff in order to keep him fresh for the finals. Throughout the series Liff compiled a perfect 0.00 ERA.

Highlights of the tourney games included muscleman co-captain Rick Krumlauf's 380-ft. home run blast in the first inning of the Rossford rout with co-captain Dan Biello aboard.

IN THE 4-0 WIN over Steubenville, which had knocked off the tournament favorite Cincinnati Western Hills, Biello drove in two runs and made a sensational catch, while Cullen Pyle, Angelo Valenti, and Rodd Heinlen played strong defense. Second-baseman Rick Hawkins earned the consistency award for reaching base six of his seven at bats during the series.

After the presentation of the huge trophy, the team took a bath in the motel pool before returning to a gigantic motorcade and rally in overjoyed Shaker Heights. The school officially hailed its conquering heroes with a pep assembly on Tuesday, June 1.

Photographic display by Bob Immerman, Joel Bonda, Jeff Pollock, and Alan Geismer.
